**VIII. MISCELLANEOUS****39. Additions to the agenda which were posted more than 72 hours in advance of the meeting, as indicated on the supplemental agenda. (12-9995)****39-A.** Recommendation as submitted by Supervisors Solis and Kuehl: Direct the Chief Executive Officer and the County's Legislative Advocates in Sacramento to support transportation funding proposals, including new fees and taxes, or legislation that identifies a sufficient and permanent funding source for local street, local road and State highways maintenance and rehabilitation to ensure the safe and efficient mobility of the traveling public and the economic vitality of California; and the transportation funding proposals should adhere to the following priorities:

Makes a significant new investment in transportation infrastructure that would remain in place for at least 10 years or until an alternative method of funding our transportation system is agreed upon;

Focuses on maintaining and rehabilitating the current system of local streets and highways to attain a transportation network that is safe for all users;

Recognizes the critical importance of public transit systems and goods movement infrastructure to environmental sustainability and economic well-being;

Provides for a roadway maintenance funding formula that equitably distributes revenue between the State and local governments and, consistent with current and historical practices, provides new revenues to local governments via direct subventions for investment in local streets and roads;

Raises revenues through a package that utilizes multiple funding sources, including fuel taxes, license fees and registration fees; and

Provides strong accountability requirements to protect the taxpayers' investment. (16-0987)
